 - 7.1. To consider the following applications

This is a new application which is intended to request consent to certain minor alterations to P21 S2791/FUL on the land between Shepherds Cottage and The Smokehouse. PC: no objection.

It was noted that the previous approval for S 2791/ FUL was on the basis of application of policy H16 of the SODC Local Plan (a policy introduced after the making of the BSPNP by the Inspector of the SODC Plan) rather than the premise (as expressed in the pre-app advice) that the proposed development was “infill”.

He’ll report back to us in September. IG highlighted the very dangerous road (which we have reported) between Berrick and Chalgrove with increasing ruts along the side caused by water escaping from beside the gas pipe.

DT provided us with his report for May, available via the link above.

11. To consider any other matters the Chairman deems urgent – for information only.

11.1. FvM mentioned the OCC tree policy which had not been widely promoted. The policy is a presumption in favour of trees. There is no extra money available this year..

11.2. FvM asked for details re the damaged road sign at Roke so that he could follow this up. CC agreed to provide.

11.3. IG asked that all Councillors should read the draft Benson Neighbourhood Plan Update so we could put together a considered response.
